The MPEP states that for "Grounds of rejection to be reviewed on appeal. A concise statement of each ground of rejection presented for review.< For example, the statement "Whether claims 1 and 2 are unpatentable" would not comply with >the rule, while the statements< "Whether claims 1 and 2 are unpatentable under 35 U.S.C. 103 over Smith in view of Jones," *>and< "Whether claims 1 and 2 are unpatentable under 35 U.S.C. 112, first paragraph, as being based on a nonenabling disclosure" >would comply with the rule." Applicants have not provided a concise statement for each ground of rejection presented for review.

The MPEP states "The appellant's contentions with respect to each ground of rejection presented and the basis for those contentions, including citations of authorities, statutes, and parts of the record relied on, should be presented in this section.. . . Each ground of rejection must be treated under a separate heading." Applicants have not addressed each ground of rejection under a separate heading.
